Sir,

Sub:-- Linen - Washing charges - Goschen Hospital, Mangalore - Sanction.

Ref:-- G.O.No.Ms.1212 H., dated 5-4--51.

2232 letter

I forward herewith a *copy of the report No. Roc.1767-H.C/51 dated 5-5-51 submitted by the District Medical Officer, South Kanara with reference to para 2 of the G.O. cited. It is observed from the report that the District Medical Officer has all along been submitting proposals for the acceptance of tender rates for the washing of hospital linen after the expiry ~~enquiry~~ of the previous contract and this is due to the time taken to invite tenders and then to make a reference to the Revenue authorities to ascertain the prevailing market rate. The District Medical Officer will be instructed to take steps to invite tenders well in advance and submit proposals for the acceptance of tenders to this office at least a month in advance of the date of expiry of previous sanction so as to allow sufficient time for this office to obtain the orders of Government in the matter in future.

Yours faithfully,

Copy of the report.

On a perusal of records of the previous five years, I find that the tenders for washing the soiled linen of the two hospitals were called for in the previous month to the year in question and the connected tenders forwarded to the Surgeon-General with the Government of Madras for acceptance or otherwise, after obtaining the prevailing ~~the particulars~~ market rates from the Revenue authorities. I am herewith enclosing the particulars with regard to the submission of tenders ½ in a Tabular form for the last five years. Delay could be avoided in case the tenders are called for at least two months before the period for which the washing of soiled linen commences. I have therefore instructed the office ~~a~~ to call for tenders in the last week of October contract effected for the calender year.
